Greetings from the Club President

In this, our 40th year as a club, the Cambridge Speed Skating club is excited to host the first competition in the Ontario Provincial Series Meet this season. We welcome all skaters and family members from across the province and beyond. Many volunteers have been working hard to make this an enjoyable weekend with good competition and sportsmanship. This weekend is especially important to CSSC as we celebrate our first meet with the new SSC standards, Level 4 mat system. We wish all participants a fun, safe and successful skating experience. Good luck to all competitors!

History and Story of CSSC

The Cambridge Speed Skating Club was formed in 1972 by a dedicated group of individuals who wanted to see children participate in and eventually become competitive in the sport of speed skating.

Since then the Cambridge Speed Skating Club has put through many Provincial and Canadian Champions, including Olympic Athletes, Derrick Campbell, Kevin Crockett, Cindy Overland and Amanda Overland.

We are extremely proud of our coaching staff and the many volunteers who make our club what it is today.
